

VIRTUS Protecting God's Children Schedule

Schedule updated May 28, 2010

New sessions are added online by facilitators on a regular basis. The most current schedule will always be found at www.virtusonline.org.

VIRTUS is a child abuse awareness and prevention program for all adults who work or volunteer in our schools, parishes and programs. Learn to recognize early warning signs in offenders of child sexual abuse to keep children safe from harm. This training meets the highest standards required by the U.S.C.C.B. Charter for the Protection of Children and Young People and is necessary to work or volunteer in any capacity within the Diocese of Bridgeport. Parents and grandparents are strongly encouraged to attend even if you do not plan to volunteer.

Please register in advance by going to the website www.virtusonline.org. Select the Word Registration and Select Bridgeport Diocese as your organization. Proceed through the menu. If you do not have internet access, please call Erin Neil (203) 416-1406. If you have problems registering while online you can contact the help-desk at 1-888-847-8870. Pre-registration is important so that we can reduce registration time at the door and this guarantees that you are notified in the event of a change or cancellation.
